

Associate Teachers from **Keele and North Staffordshire Teacher Education** would like to invite you to come and find out about how they used Middleport Pottery as a curriculum resource.

**Date: Friday 6th July
Time: 2-4.30pm**

Venue: Middleport Pottery

They will be sharing curriculum materials that relate to English, mathematics, science, physical education, geography and history in relation to the primary curriculum and art in relation to Key Stage 1.

These materials will then be available free to you and your schools to use and adapt as appropriate to your own pupils and settings. It is very significant to us, that our local cultural heritage is shared and sustained meaningfully and appropriately.

The event is free and afternoon tea and cake is kindly being provided by Middleport Pottery.
